Hey Grace, you're beautiful
Your face so meaningful
I embrace the thought of you
Hey Grace, I lost you
Hey Grace, I lost you

I'm sure we've met before
In a dream, down by the shore
Where thoughts were readable
Hey Grace, I lost you
Hey Grace, I lost you

So how will I find all the pieces you left behind?
And how will I find all the traces you left behind?

Hey Grace, you're beautiful
Your face so meaningful
I will chase the dream of you
Hey Grace, I lost you
Hey Grace, I lost you

So how will I find all the pieces you left behind?
And how will I find all the traces you left behind?

Hey Grace

Hey Grace
Hey Grace
