The night is blue, I look at you and I go: "sweet times
straight ahead", oh
And I'm not a fool, I know you want it too baby: dance
with me tonight, oh
Dance with me tonight, yeah!

Ooh, baby it's contagious. It's contagious
Yeah baby it's contagious and it's serious
Ooh baby it's contagious. It's contagious
Yeah baby it's contagious. I'm delirious

We feel the groove under the moon and the beat goes
on and on, yeah
We know it's love, we know it's love when the DJs play
our song, oh
Hey, DJs play our song. Yeah!

Ooh, baby it's contagious. It's contagious
Yeah baby it's contagious and it's serious
Ooh baby it's contagious. It's contagious
Yeah baby it's contagious. I'm delirious

And we say: "ihanaa!"

Hey, DJs play our song. Oh, DJs! Hey, the DJs play our
song. Oh, DJs!

Ooh, baby it's contagious. It's contagious
Yeah baby it's contagious and it's serious
Ooh baby it's contagious. It's contagious
Yeah baby it's contagious. I'm delirious
