

Crash, The "Loveless"

Visit "[Loveless](#)" on MotoLyrics.com

Do you feel anything, heartless
Do you love any one, loveless
Oh yeah take me, enjoy me well
Then throw away my shell

Ooh-ah-ah now we're finished
Ooh-yeah-yeah it's all over
Hey heartless we're finished

Go, fool me, wear me out, heartless
Oh yeah, empty all of me
The call me your baby

Ooh-ah-ah now we're finished
Ooh-yeah-yeah it's all over
Hey, heartless, we're finished

But she lives in the heart
And she lives out of love
Yeah, she lives in the heart

Ooh-ah-ah now we're finished
Ooh-yeah-yeah I hope we're finished
Hey, heartless, it over
