### 1. verse

Today we will stop faking and celebtare with full hearts

Take these words discover me

chorus:

Oh will you stay with me

And will you play with me

Oh will you save my ass

Or will we go down once again

### 2. verse

One day we will pop unless we start to level with  
orselves

Take these chords and cover me

chorus:

Oh will you stay with me

And will you play with me

Oh will you save my ass

Or will we go down once again

Are we going down once again

Oh will you stay with me

And will you play with me

Oh will you save my ass

Or will we go down once again

Are we going down once again

Will we go down once again
