she's leaving me now  
"I'm gonna let you go"  
oh yeah  
staring me down  
"I'm gonna let you go", she says

she's fading me out  
I thought we were ment to be  
oh yeah  
scaring me off  
"I'm gonna stop right now", she says  
and suddenly something is holding me down

oh my love, Phoebe has gone away today and the rain  
won't stop  
and I'm easily torn  
I thought she woul never let me go

"now the season is high. I'm gonna step right out"  
oh yeah  
follow your heart  
"I'm gonna let you go", she says  
and suddenly something is tearing me down

oh my love, Phoebe has gone away today now the rain  
won't stop  
and I'm easily torn  
I thought she would never let me go  
oh yeah!

she's leaving me now  
"I'm gonna let you go", she says

Phoebe has gone away today and the rain won't stop  
and I'm easily torn  
I thought she would never let me go  
oh yeah!

Phoebe has gone away today, now the rain won't stop  
and I'm easily torn  
I thought she would never let me go
