In a dream I was on a pony ride with you
You confessed your love as the lovely night turned blue
Hey baby, I la-la-laa-la-love you too
Hey baby, ooh honey, hey sugar
Level with me

Do you see a guy like me and a girl like you
Shagging by the fire (woo!) on a honeymoon?
Because that could be reality to you and me
If you just get what I've got
Baby that could be reality, eternally
If you just get what I've got and that is a frickin' lot

Baby, take me out for a pony ride with you
And then later on I will get your name tattooed
Hey baby, ooh-la-laa-la-laa so sweet
Hey baby, ooh honey, hey sugar
I mean, seriously

Do you see a guy like me and a girl like you
Shagging by the fire (woo!) on a honeymoon?
Because that could be reality to you and me
If you just get what I've got
Baby that could be reality, eternally
If you just get what I've got and that is a frickin' lot

Take me home
'Cause I like you

Tell me, do you see a guy like me and a girl like you
Shagging by the fire (woo!) on a honeymoon?
Because that could be reality to you and me
If you just get what I've got
Baby that could be reality

What I'm saying is:
I really like you a lot
