I can't stop being in love with you  
I can't stop thinking about you  
Well what am I supposed to do?

I mean look at you: that beauty, that booty and the  
brains  
I rest my case  
Tell me baby that sooner or later we're together

'Cause I can't stop dreaming about you  
I can't stop stalking around you  
Well, what am I supposed to do?

'Cause it's full moon, I can't help it, I change into a  
lover  
Then, ooh baby, I follow you around undercover

'Cause I can't stop being in love with you  
I can't stop thinking about you  
Well, what am I supposed to do?

I can't stop dreaming about you  
I can't stop stalking around you  
Well, what am I supposed to do?

'Cause I'm an undercover lover (a stalker, nightwalker,  
we could be friends)  
Though you rejected me, I know this was only the  
beginning (the beginning)  
Though your security, they hurt me, it's only the  
beginning (the beginning)

'Cause I can't stop being in love with you  
I can't stop thinking about you  
Well, what am I supposed to do?

Ooh yeah yeah

I can't stop dreaming about you  
I can't stop stalking around you  
Girl, what am I supposed to do?

Oh yeah...

I'm an undercover lover, yeah
