

Crash, The "Thorn In My Side"

The stable hands waving away this stormy affair
Like we wouldn't care
The stable hands tearing away this thorn in my side
You by my side

But I know, when you're not around here
I am gonna fall, I am gonna fall
If you're not around here
I am gonna lose, I am gonna fall

Talking away but thinking in rhymes

The stable plans fading away this Bonnie & Clyde
You by my side

Hey please don't bring me down

If you're not around here
I am gonna fall, yeah I am gonna fall
If you're not around me
I am gonna lose, yeah I am gonna fall

When will you turn around?
Hey when will you turn around to me?
When will you turn around to me?
Hey please don't let go
'Cause I'm still holding on

If you're not around here
I am gonna fall, yeah I am gonna fall
If you're not around me
I am gonna fall, yeah up against the wall
I am gonna lose, yeah I am gonna fall
