Angel Baby Lyrics

Angel Baby why don't you sit a while?
May I have a moment of your time?
Angel Baby even though we're just friends,
I had to tell you about my feelings.

Angel Baby (I've cried)
Angel Baby

I saw you
I see you
And I'll see you like I never have.

I've loved you
And I love you
And I'll love you like I never have.

Angel Baby,
Won't you dry up all the tears you weep?

Angel Baby, why aren't you satisfied,
You've got everything money can buy?
Angel Baby the times just aren't that bad
You've got everything you've ever wished you've had.

Angel Baby (I've tried)
Angel Baby

I saw you
I see you
And I'll see you like I never have.

I've loved you
I love you
And I'll love you like I never have.

Angel Baby,
Won't you dry up all the tears you weep?
