Verse 1

I'd love to see ya, love to feel ya.
Love is so right. so why don't you just stay the night?
I'd love to share the words you long to hear.
It's so right, so why don't you just stay the night?

Chorus

With a little bit more love, babe,
We'll get by,
Because together it's our endeavor.
It's up to you and I.
With a little bit more love, babe,
We'll succeed.
Because together we share the future.
It's up to you and me.

Verse 2

Ever since I met you, I can't forget you.
Love is so right, so why don't you just stay the night?
My word's are just a token of my love.
It's so right, so why don't you stay the night?

(Repeat Chorus)

Bridge 1

You know...
I'd love to see ya. I'll love you right.
I love you tonight. I'll love you so right.
Haha!

Verse 3

I'd love to see ya,
(What's that baby?)
Love to feel ya.
(What's you say baby?)
Love is so right,
So why don't you stay the night?

(Won't you come on over here?)
I'd love to share
(Come spend the night with me baby.)
The words you long to hear.
(It won't hurt none.)
It's so right,
(It'll be real good.)
So why don't you stay the night?
(Yeah, I love you baby.)
(Yeah I'll love you tonight!)

Bridge 2

What's that you say?
Did that blackjack game demean you? Oh no!
(Hear that saxophone?)
I hear a saxophone two blocks from home
Playing solo.

Verse 4

(Dialogue)
Hey how you doin' Charlie?
Hey how you doin' man? (Uh-huh).
Rastaman vibrations man.
Hey, whoa, man the other day, oh (whew)
You don't even know.
There was this little lady so fine...
You know what I told her?
(Ever since I met you, I can't forget ya.)
I told her, "Hey baby, come on over.
(Love is so right, so why don't you stay the night?)
Spend the night."
(My word's are just a token of my love)
Hey, hey Joe...
Hey man, don't be doin' none of that now...
Don't be messing with it... hey, hey, hey!

Hey there, "who are you"?
"You have the nicest eyes!"
