Daryl Hall % John Oates
"Everything Your Heart Desires"

Oh, oh
You say you can't stand to be
Tied so close to a lover
Yeah ooh you feel like a prisoner
And you wanna find someone who will let you out
Can't you see the heartbeat that you know so well
Is better than some strange one you're looking for
Say you never know that strange one just might be me
yeah

Can't you see
(You Have Everything Your Heart Desires)
So why you want more
If you have (If You Have Everything Your Heart Desired
Would you still want more
You (Have Everything Your Heart Desires)
Why do you want more
(If you Have Everything Your Heart Desires)
Desired, would you still want more

You tell me your best friend's world seem beautiful
but don't be fooled
It's nice work if you can get it
Yeah, what goes on behind closed doors you don't
know
Maybe she cries herself to sleep every nite
Sorry that the heartbeat that she knows so well
Ain't what she's looking for
You never know that strange heart just might be me

Maybe (You Have Everything Your Heart Desires)
So why you want more
If you had
(If you had everything your heart desired)
Would you still want more
(You Have Everything Your Heart Desires)
Desired, why do you want more
(If you have Everything Your Heart Desires)

Maybe you'll confess
Girl you'll see (no)

If you want the world, if you want the world
Think of me
No words can help
So don't be sad oh no
'Cause baby what you want is what you have hey, hey

Do you still love me?

Hey, (You Have Everything Your Heart Desires)
Everything your heart desires
So why you want more
(If You Have Everything Your Heart Desires)
I can give you anything you want
(You Have Everything Your Heart Desires)
As long as you know you got to me
You got the key to me
(If You Have Everything Your Heart Desires)
Hang on, let's go, no no, no no, no no, no no, no no
