Party people, have no fear

The group is back in attack for the '88 year

It's the Gangster Boogie with the shot

Come on y'all, let's rock (rock) (rock)

(Gangster Boogie) --> Chicago Gangsters

(*shot*)

(Get on up) --> Bobby Byrd

(Gangster Boogie)

(*shot*)

(Get into it) --> Bobby Byrd

(Gangster Boogie)

(*shot*)

(Get involved) --> Bobby Byrd

(Gangster Boogie)

(Get on up)

Okay man, that's a great intro

But we don't have all the people on the dancefloor

Let em know we're the rappers that score

Yo man, what you waitin for?

[Toddy Tee]

Well... the lights, cameras, action sound

Gimme that mic, I'm about to throw down

Sucker MC's, I'm back in the saddle

Form a line here if you want to battle

Yes, it's the two and the Batterram crew

Together forever and we're stickin like glue

And we'll never bite a rhyme cause the rhymes we write

Are sealed and approved and wrapped up tight

Yeah, I liked that groove right there

But we still got someone in their chair

Get em outta their hair, man

Rock em

[Toddy Tee]

Yes, I'm hip to cocaine but it's all the same

Cause it's the power of drugs to make you do weird things

I'm not sayin this to front on the crowd

Like J.B. said: (I'm black and I'm proud) say it loud

You're not a witness on the Contras scam

My voice is your choice for the Gangster jam

The high rollers of rap are back in your town

So let's rock this Boogie with the woogie-oogie breakdown

Now man, you rocked it def

You took the Gangster Boogie off the shelf

Now Spade, give us the chance

So man, explain the dance

[Mix Master Spade]

The Gangster Boogie is a dance that is def

And guaranteed like speed to make you run out of
breath

So just shake your hips and move your head

With style and grace like you're lovin in bed

Only few will learn and a couple have tried

So just shake your rump from side to side

And if you got good rhythm then you'll learn quick

Hey yo Todd (What, Spade?) Let's bust it

(Yeah, haha)

(Do you wanna get funky with me?)

(Yeah, haha)

(Do you wanna get funky with me?)

(Yeah, haha)

(Do you wanna get funky with me?)

(Yeah, haha)

(Do you wanna get funky with me?)

[Toddy Tee]

Well, we're boogiein down and the style's unique

The Gangster Boogie is known on the Compton streets

You don't fire no guns at your feet to dance

You just give that sucker (?) a chance

The Gangster Boogie is famed across the nation

And we're dancin in front of the police station

With Spade on my side I ain't takin no slack

The critic said it was over, Toddy Tee brought it back

Okay, you proved to me the Gangster Boogie was def

You took it right off the shelf, man

Now let's rock this beat as we jam on

(Gangster Boogie)

(Get on up)

(Gangster Boogie)

(*shot*)

(Get into it)

(Gangster Boogie)

(Get involved)

Beat Box
