Wish I wasn't here

You're boring me to tears

I'm alone

In this world

Of mine

Break

Your game that has no end

Your solitary friend

You'll be glad

When you hit the floor

(chorus)

Sitting all alone

On my own

Wasting time

Wasting time

Iquess

The human race is run

The flies have come undone

You've got nothing to say

This time

Now

That everybody's cold

Is blocking up your nose

Playing chess

Is the best

I can do

(chorus)

I wish I wasn't here

I'm bored to tears

In this world of mine

That everybody's cold

Is blocking up your nose

Playing chess

Is the best

I can do

(chorus)
