If I tried to tell you there was  
Only one way to change my mind  
Would you laugh me down & tell me what I'm missing  
And if I tried to say I'll make it my own way  
Would you still meet me half way  
Offer me the hand of friendship no misgivings

All you need and all you're dealt  
From love to lust, greed to hate

Mud to dust, sand to glass to nothing

If I was to say  
It's your decision I don't mind which path you take  
It's up to you...  
It's up to you to find your own direction

It's up to you...  
It's up to you to find your own direction
