[Originally by Africa Bambaata]

You're in a place where the nights are hot
Where nature's children dance and set a chance
On this Mother Earth, which is our rock
The time has come, and work for soul, show you really
got soul
Are you ready hump bump bump, get bump, now let's
go, house

Rock rock to the Planet Rock, don't stop
Rock rock to the Planet Rock

Just start to chase your dreams
Up out your seats, make your body sway
Socialize, get down, let your soul lead the way
Shake it now, go ladies, it's a livin' dream
Love Life Live
Come play the game, our world is free
Do what you want but scream

Rock rock to the Planet Rock, don't stop
Rock rock to the Planet Rock
[3x]
