georgy porgy pudding and pie
kissed the girls and made them cry
when the boys came out to play
george spun on his heels and ran the other way
each morning at work she's in tears
remembering a better time
a place where love would hold her safe and warm
seems those days are over now
seems those days are gone
some little piggies get roast beef
and some little piggies get none
but everytime she hears that song
she's right back in her lover's arms
remembering a better place
where love would hold her safe
before the grand old duke of gloucester rd.
marched off over primrose hill
wrenched away her peace of mind
jill came tumbling down
