Arachnidella checks out flies  
Sabre queen fertilizes young boys  
Six foot fatal and dripping with danger  
Gimme your urge I've got a thousand lives

Flesh pots to go  
In cobweb brothels  
Love me tender I can't move(six foot fatal dripping  
danger)  
I wanna be hated by you

I fear something's wrong with my liver  
It just came up and it doesn't look right  
My life is dangling in garters hanging from the ceiling  
I gotta know, are you diabolic or are you divine?

Flesh pots party  
Spirit away my hunger  
Love me tender in a box(loving me loving me loving)  
I wanna be loathed by you

You're my pre-necrophilic predestination!

Sucking blood from lipstick smeared gashes on my  
neck  
Feel the demon drink, fill the demon up  
Entering the beaver through an aura of perfume  
Oh baby, soak in juice my body numb!

Eight-legged lady  
Loving me to death  
Don't put a stop to your madness(come on baby put me  
to da test)  
I wanna be detested by you

Eight-legged lady  
Loving me to death....(loving me....)
