TRUST THE EXPERTS

'cause they know better than you! (2X)

TRUST YOUR MASTER

'cause he knows better than you!

FOLLOW YOUR LEADERS

'cause they know better than you...

...'cause so they tell!

We're gambling, we're craving, we're starving to death

We're living in an all-purpose surgery, surgery

philosophy

The starved wretches that hungry mastic chew

But cheat themselves and foster their disease

TRUST THE EXPERTS, 'cause so they tell!
