Starved out, sewed up, reduced to a walking hall stand
Patronized, commercialized, self esteem demoralized

Drop out, raze your soul
Burn your bridges, set the world on fire!

Clone lover, cash grubber
Drain my will and drag me through the mire!

I'm a liposuction disaster
I'm a slim fast suicide
I can't turn my back on TV talk shows
I can't turn my back on your culture
'Cause I don't wanna be a social outcast?.

I wanna be your glycerin baby
I wanna be your glycerin baby
Death is sexy, stunt your growth!

Child abuse is in vogue
Guilty kids won't utter a croak

I'm a model puppet on a string
You can do most anything with me
Gagged and embalmed and taken on the lead
Cunnilinguistics talking moneybags round

I want to be loved
And walk in a line
I'm only alive for as long as your TV is on

I wanna be your glycerin baby
I wanna be your glycerin baby
I wanna, I wanna, I wanna be your puppet

Here's the promised land for the culturally challenged

Starved out, sewed up, reduced to a walking hall stand
Patronized, commercialized, self esteem demoralized

I'm the mind fuck that they never saw alive

I'm the mind fuck that they never saw alive
I'm a sales trick of some fashion pimp
I'm a silicone clone
With a distorted self-image
Anorexia and fellatio
Thyroid pills and vomit cocktails
I'm alive and dead

I wanna be your glycerin baby
I wanna be your glycerin baby
Death is sexy, stunt your growth!

I'm a model puppet on a string
You can do most anything with me
Gagged and embalmed and taken on the lead
Cunnilinguistics talking moneybags round
I'm a model puppet on a string
You can do most anything with me

Starved out, sewed up, reduced to a walking hall stand
Patronized, commercialized, self esteem demoralized

I wanna be your glycerin baby
I wanna be your glycerin baby
Death is sexy!

I wanna be your glycerin baby
I wanna be your glycerin baby
Stunt your growth!
