No more will I wait  
I've got to make my move  
You'd never treat me wrong  
If you knew how I'm feelin'  
Baby can't you see?  
To make you mine O mine  
I'll turn things upside down (upside down)  
Hunting for you  
Why don't you love me?

(a)  
(Ao Ao Ao)I want some kissin' cuz you know what  
I'm missin'  
(Yeah)the earth goes quakin' when you're keepin'  
me shakin'  
(Oh)Gonna start my chasing now -- I wanna catch  
you and make you meow

(b)  
You're the sweetest  
How can I win your heart?  
In a moment I'll crash  
Nothing will calm me down  
Till you really love me  
Darlin' hold me tight
