I am the force!
I am the force!
I am the force!
I am the force!
I am the force!
You know Iâ€™m thunderbirds 1 through 5
Supermechanism
Rock this show how loraine(?) hop her the moon Â–
bank-robber
See my atmosphere rocket-ship blocking your rear

With aviation altercation spacecraft ready to take off
that motivation
Iâ€™m leaving rapp underground for spacestation
Kiss earth and land goodbye, Iâ€™m an astronaut goinâ€™
on vacation
Above prova-jet, me and his captain havenâ€™t met yet
The general carrying alien boxes up to the galaxy with
chemicals
The dark side with sargent pluto, weâ€™re sitting in a
dark ride
Weâ€™re flight jackets. Weâ€™re u.S. Rv. Weâ€™re tim
mgarvey
No time for explanation, for toys. We big boys.
No ken and barbie. Just robotron coming up, the turnâ€™s
right.
Weâ€™re flyinâ€™ saucer-lights on. Neck pure platinum
pipe-on,
Aluminum snake, makes you do the shake-shake.
American airline Â– brute force. Response to everything
we bake
Getting downâ€™a mercedes. Talking to the president
with the u.S. Navys
Potato salad for the soldiers. Everybody get their
gravies!

I am the force!
Marines, please step back because:
I am the force!
Army, please step back because:
I am the force!

U.S. Navy, please step back because:
I am the force!
National guard, please step back because:
I am the force!
All the space-stations step back because:
I am the force!
News-casters, please step back because:
I am the force!
New york city police department, please step back
because:
I am the force!
Please step back because:
I am the force!
Please step back, please step back because:
I am the force!
SteW back, step back, step, step, step back
I am the force!
Step, step, step back. Step, step, step backÂ...
I am the force!
General, ge-general, ge-general, ge-general, ge-
general take back the trunk
