[Intro:]

The girls all jelly, the girls all jelly, they jealous of me

[Verse 1:]

I'm Hostadiddy cause I'm so damn pretty
My chain below zero so I'm feelin kinda chilly
My temper kinda short so I'm smackin bitches silly
I rep uptown, New York City
I teach you how to? front? and I teach you how to dress
You think I'm wrapped in plastic the way I stay fresh
I'm like Jeff Corwin, pattin for my gators
Never half-step, always do it major
More than just a star, setting closer to a galaxy
No wonder all these b***** stay mad at me
Marry me? I'm a little too young
If you don't like me, blow me like bubblegum

[Chorus:]

Hostadiddy, Hostadiddy, H-O-S-T-A and a Diddy
Hostadiddy, Hostadiddy, H-O-S-T-A and a Diddy
The girls all jelly, the girls all jelly, they jealous of me!
The girls all jelly, the girls all jelly, they jealous of me!

[Verse 2:]

I'm so shallow, I'm so vain
The girls all jelly cause they look so plain
They can't get rid of me, I'm stuntin like a? stand?
Katrina's like a drizzle to the way I make it rain
Now whatcha tryna say? You don't think I'm tough
You buggin, I'm bad even with my little butt
They all hate me but they lookin like thriller
They mad my only competition is a mirror
You ain't gotta feel her, I'm feelin myself
Gucci, Prada, Louis, I bought it myself
Dipped in rich from my head to my toes
While ya'll sittin talkin (shh) I'm throwin money at you
h0e\$s

[Chorus]

[Hook:]

The girls all jelly, I think I know why
I don't need no lip gloss or some soda on the side
The girls all jelly, I think I know why
I don't need no lip gloss or some soda on the side

[Chorus]
