Holidays, the sun has come  
Good time to have some fun  
Outdoors, wherever you want  
I like to be anywhere  
Where I'm reminded of those times  
When I was a child  
Exploring the world with an open mind

Picnic Day  
I've been waiting way too long  
To picnic listening to my favourite songs  
All picnic songs  
On a picnic day

Sometimes life seems cold and grey  
But then begins a brand new day  
It's natural, question of balance  
And my opinions keep on changing  
'Cause my life keeps rearranging  
No control, no guarantees  
Only memories of

Picnic Days  
I've been waiting way too long  
To picnic listening to my favourite songs  
All picnic songs  
On a picnic day
