"Painter Man"

Went to college, studied art
To be an artist, make a start
Studied hard, gained my degree
But no one seemed to notice me

Painter man, painter man
Who would be a painter man?
Painter man, painter man
Who would be a painter man?

Tried cartoons and comic books
Dirty postcards, woman's looks
Here was where the money lay
Classic art has had its day

Painter man, painter man
Who would be a painter man?
Painter man, painter man
Who would be a painter man?

Do adverts for TV
Household soap and brands of tea
Labels all around tin can
Who would be a painter man?

Painter man, painter man
Who would be a painter man?
Painter man, painter man
Who would be a painter man?

La la la, la la la, la la la la la la
Painter man, painter man
Who would be a painter man?
