Newspapers, TV  
Junkmail through my door for free  
Go read more, switch on  
More lies for the citizen

Tomorrow, today  
I gotta read what the paper say  
In the mag "Shout", read it on  
"Mother gives birth to a freestone son"

Shock Horror, what can you do?  
It's in the news, so it's gotta be true  
Shock Horror, what can you say?  
That's life in the UK today

Too much, too soon  
They found a plane upon the moon  
Gay bikers on drugs  
And in the night drink Teddy Bear shots

Shock Horror, what can you do?  
It's in the news, so it's gotta be true  
Shock Horror, what can you say?  
That's life in the UK today

What can you do?  
What can you say?  
That's life  
In the UK today

Shock Horror, what can you do?  
It's in the news, so it's gotta be true  
Shock Horror, what can you say?  
That's life in the UK today

Shock Horror, what can you do?  
It's in the news, so it's gotta be true  
Shock Horror, what can you say?  
That's life in the UK today

In the UK today!
