Tom Tom, na na na na na  
Run, run, get your gun  
Tom Tom, na na na na na  
Bang, bang, you spoiled the party

Tom Tom, the piper's son  
Kissed the girls and made them run  
Lambs run away from little Mary  
Woke Sleeping Beauty, scared the fairy

Tom Tom, na na na na na  
Run, run, get your gun  
Tom Tom, na na na na na  
Bang, bang, you low down thing

Tom Tom, stabbed the hatter  
Hear them feet pitter patter  
Miss Muffet, Jack and Jilly  
Simple Simon was acting silly

Tom Tom, na na na na na  
Run, run, get your gun  
Tom Tom, na na na na na  
Bang, bang, you spoiled the party

Once over the village green  
Hang man was Jack the Bean  
Took away his forty five  
Jack Horner threw his custard pies

Tom Tom, na na na na na  
Run, run, if you can  
Tom Tom, na na na na na  
Hang, hang, now your dead

Tom, Tom, na na na na na  
Tom, Tom, na na na na na ....
