Spy on me baby use satellite  
Infrared to see me move through the night  
Aim gonna fire shoot me right  
I'm gonna like the way you fight  
(And I love the way you fight)

Now you found the secret code I use  
To wash away my lonely blues  
Well, so I can't deny or lie cause you're there  
Only wan't to make me fly

Chorus

Sexbomb, sexbomb you're a sexbomb  
You can give it to me when I need to come along  
(Give it to me)  
Sexbomb sexbomb you're my sexbomb  
And baby you can turn me on  
(Baby you can turn me on  
You know what you're doing to me don't you. ha ha,  
I love you do)

Now don't get me wrong ain't gonna do you no harm  
This bomb's for lovin' you can shoot it far  
I'm your main target come and help me ignite  
Love struck holding you tight, hold me tight darlin'

Make me explode although you know  
The route to go to sex me slow, slow baby  
And yes I must react to claims of those  
Who say that you are not all that, ha ha ha

Chorus 2x

Sexbomb, sexbomb you're my sexbomb  
You can give it to me when I need to come along  
Sexbomb sexbomb you're my sexbomb  
And baby you can turn me on  
(Turn me on darlin')  
Sexbomb ,sexbomb you're my sexbomb  
You can give it to me when I need to come along  
Sexbomb, sexbomb your're my sexbomb  
And baby you can turn me on

You can give me more and more counting up the score  
You can turn me upside down and inside out  
You can make me feel the real deal  
And I can give it to you any time because you're mine

Chorus until fade
