Love come, Down upon us
Till you flow like water,
Burning with the hope of insight
Feathered, look they're covered with a bright elation
Stolen in the sight of love

[Chorus]

We are, we are, we are all just children
Finding our way around in decision
We are, we are, we are rather helpless
Take us forever
A whisper to a scream

Birds fly
In the eye of the faithless daughter
Broken at the bitter end
Wasted, sacrifice for a new nirvana
Right time send us on our way

[Chorus 3x]

We are, we are, we are all just children
Finding our way around in decision
We are, we are, we are rather helpless
Take us forever
A whisper to a scream
A whisper to a scream
A whisper to a scream

(We are, we are, we are all just children
Take us forever
A whisper to a scream)

We are, we are, we are all just children
Finding our way around in decision
We are, we are, we are rather helpless
Take us forever
A whisper to a scream

We are, we are, we are all just children
Finding our way around in decision
We are, we are, we are rather helpless

Take us forever
A whisper to a scream
