At the wedding tonight, she looks nicer than the bride  
When she smiles I forget my lyrics  
I got blind, I got mad, not from the diamond she had  
But from the beauty that put my heart on fire

You have never been to my show  
You haven't seen before her looks, that trumpet  
But the sound goes straight to your soul, gets you out of control  
This trumpet makes you mine, girl

This trumpet makes you mine, girl  
(This trumpet makes you mine, girl)  
This trumpet makes you mine, girl

Just like from advertise you came down from the skies  
On a plane which belongs to your daddy  
Welcome to Carousel, the wine is sweet but take care  
'Cause too much is no good for her princess

You have never been to my show  
You haven't seen before her looks, that trumpet  
But the sound goes straight to your soul, gets you out of control  
This trumpet makes you mine, girl

(This trumpet makes you mine, girl)

You have never been to my show  
You haven't seen before her looks, that trumpet  
But the sound goes straight to your soul, gets you out of control  
This trumpet makes you mine, girl

Youâ€¦ (have never been to my show)  
You haven't seen before her looks, that trumpet  
But the sound goes straight to your soul, gets you out of control  
This trumpet makes you mine, girl

This trumpet makes you mine, girl

(This trumpet makes you mine, girl)

This trumpet makes you mine, girl
