Tell me, how does it feel  
When it comes to you  
And all the things you say to me  
You make me feel like nothing  
Like nothing

When you break me down  
I'll fall apart and  
Wrestle with myself, inside  
I'm nothing

And tell me, how should I feel  
When it comes to you  
And all the games you play on me  
You still make feel like nothing  
Like nothing

When you break me down  
I'll fall apart and  
Wrestle with myself, inside  
I'm nothing

When you break me down  
When you break me down  
When you break me down  
And all the things you do  
Like nothing, like nothing, like nothing

Tell me, how should this feel  
When it comes to you  
And all the things you do, to me  
This makes me feel like nothing  
Like nothing

When you break me down  
I'll fall apart and  
Wrestle with myself, inside  
I'm nothing

When you break me down  
I'll fall apart and  
Wrestle with myself, inside

I'm nothing

When you break me down

When you break me down

I'm nothing
