forget the things i said last night cause i was wrong
and you were right i can't believe the things i say to you
sometimes there's 24hrs till i go away
they want me over there so i can't stay so i say make
the best of the times we have
[chorus]
hold on to me tonight cause this could be the last time
hold
on to me forever my friends think that i should be out
hangin around their local bars what's wrong with this
town all i really want or need is you there's
24hrs. till i have to leave then i'm off to see what i can
see it's my job don't take it personally
[chorus]
[lead break]
forget the things i said last
night [x2]
cause i was wrong and you were right
[chorus x2]
