There's a voice in my head,
There's ghost under my bed,
Spooky mirrors' hanging on the wall.
Don't be scared, it's okay, talking to a living dead.
Headless people walking down the hall.

Help! I'm so far away from home!
Help! The voice is calling: "Welcome to

Creepschool!" What's going on in such a freaky place?
Welcome to Creepschool!
There's nowhere to run, not even try to hide,
This is where your nightmares come alive.

Hear the bark at the moon
Midnight's coming up for soon
Shadows sneaking up behind your back
The vampire's wolf's baked dinner is on you,
Better be aware when they attack!

Help! I'm so far away from home!
Help! The voice is calling: "Welcome to

Creepschool!" What's going on in such a freaky place?
Welcome to Creepschool!
There's nowhere to run, not even try to hide,
This is where your nightmares come alive.

Ohh.. yeah

Creepschool!" What's going on in such a freaky place?

Welcome to Creepschool!
There's nowhere to run, not even try to hide.
Cause this is Creepschool!
What going on in such a freaky place?
Welcome to Creepschool!
There's nowhere to run, not even try to hide.
This is where your nightmares come alive.
