I Know Why (And So Do You)

Pat Friday (Helen Patricia Freiday)

The song was written by Mack Gordon, lyrics, and Harry Warren, music

Why do robins sing in December?
Long before the springtime is due?
And even though it's snowing, violets are growing
I know why and so do you

Why do breezes sigh ev'ry evening
whispering your name as they do?
And why have I the feeling stars are on my ceiling?
I know why and so do you

When you smile at me
I hear gypsy violins
When you dance with me
I'm in heaven when the music begins

I can see the sun when it's raining
Hiding ev'ry cloud from my view
And why do I see rainbows when you're in my arms?
I know why and so do you
I know why and so do you
