Breaking the ice was easy  
Hugging the stage was simple  
I couldn't see how this would ever go bad  
Once the flesh wore off  
All your words mean't nothing  
I think your too far gone  
And it aint comin' back

It's like I'm stuck in a B movie with you  
With a cliché ending  
That came true

[Chorus]  
Lock stock and barrel I'm in  
I took a chance  
And now I'm wondering  
Is this as good as it gets? (All for nothing)  
Hook line and sinker I fell in  
I took a chance  
And now I'm sinking  
Is this as good as it gets? (All for nothing)

I wanna believe  
I don't know

All my friends they warned me  
And my mom she told me  
Before you jump in head first  
Just make sure  
After all we've been through  
You took more than I could give you  
Wish that we could go back  
To the way it was before

It's like I'm stuck in a B movie with you  
With a cliché ending  
That came true

[Chorus]  
Lock stock and barrel I'm in  
I took a chance  
And now I'm wondering

Is this as good as it gets? (All for nothing)  
Hook line and sinker I fell in  
I took a chance  
And now I'm sinking  
Is this as good as it gets? (All for nothing)

I wanna believe  
I don't know  
Look at me now  
Look at me now  
Look at me

[Chorus]  
Lock stock and barrel I'm in  
I took a chance  
And now I'm wondering  
Is this as good as it gets? (All for nothing)  
Hook line and sinker I fell in  
I took a chance  
And now I'm sinking  
Is this as good as it gets? (All for nothing)  
Is this as good as it gets?  
Is this as good as it gets?
