Mick Jagger/Keith Richards)

I don't want you to be high
I don't want you to be down
Just want to do me a round
Don't want to tell you no lies
Please come right up to my yacht

You will be able to hear what I say

CHORUS

Don't want you out in my world
Hey!
Just you be my backstreet girl

Please don't be part of my life
Please keep yourself to yourself
Please don't you bother my wife
That way you won't catch no hell

CHORUS

Don't try to ride on my horse

You're not the kind to ride a horse anyway
Please don't come knockin' at night
Please don't you call me at home
Please never ring on the phone
Please take these favors I grant
Courtesy and luck and nochalant just ain't your way
Your manners are never quite right

CHORUS
