Well there ain't no use to sit and wonder why  
If you don't know by now  
And it ain't no use to sit and wonder why  
It doesn't matter any how  
When the rooster crows at the break of dawn  
Look out your window and I'll be gone  
You're the reason I'm traveling on  
But don't think twice  
It's alright  
And it ain't no use in turnin' on your light  
The light I never knew  
And it ain't no use in turnin' on your light  
I'm on the dark side of the moon  
I wish there was something you could do or say  
Make me wanna change my mind and stay  
We never did much talking anyway  
But don't think twice  
It's alright  
There ain't no use in calling out my name  
Like you never did before  
And there ain't no use in calling out my name  
I can't hear you anymore  
I'm Thinking and wondering on the way down the road  
I once loved a woman  
I Shall Adore  
I'd give her my heart but she wanted my soul  
Don't think twice  
It's alright  
Well going down that old lonesome road  
Where I bound  
I can't tell  
But goodbyes too good a word  
So I'll just say fair thee well  
Well I ain't saying you treated me unkind  
I coulda done better  
But I don't mind  
Just kind of wasted my precious time  
But don't think twice  
It's alright  
Yeah, don't think twice  
It's alright [x2]

Don't you ever think twice  
It's alright  
Yeah, don't think twice  
It's alright.
