I was born a king of fools  
Most People think I'm just a playboy Breaking rules.  
But they don't Know that when it comes around To love  
I always lose  
That's why I call myself the king of fools.

I was born never to care  
But Now I want a love that I can Share.  
I've searched in vain for a Love that would never be  
true  
That's why I call myself The King of Fools

King of fools, king of fools  
When it comes around to love I always lose

I was born without a good Thought  
Just to live fast, tell a Lie and break a heart.  
I have Broken many hearts and I've Broken many rules  
That's why I call myself the King of Fools.

King of fools, king of fools  
When it comes around to love I always lose

I was born the King of Fools  
At any other game I never lose.  
But when it comes around to Love that's when I realize  
I was born the king of fools.

King of fools, king of fools  
When it comes around to love I always lose  
King of fools, king of fools  
At any other game I never lose.  
King of fools, king of fools  
When it comes around to love I always lose
