Love is a burning thing
And it makes a fiery ring
Bound by one's desire
I fell down into a ring of fire

Chorus:

I fell into a burning ring of fire
Went down down down and the flames went higher
It burns burns burns that ring of fire that ring of fire

The taste of love is sweet
When hearts like ours meet
I fell for you like a child
Ohhh but the fire went wild

Chorus:

I fell into a burning ring of fire
Went down down down and the flames went higher
It burns burns burns that ring of fire that ring of fire
and it burns

Chorus:

I fell into a burning ring of fire
Went down down down and the flames went higher
It burns burns burns that ring of fire that ring of fire

The taste of love is sweet
When hearts like ours meet
I hide before you like a child
Ohhh but the fire went wild

Chorus:

I fell into a burning ring of fire
Went down down down and the flames went higher
It burns burns burns that ring of fire that ring of fire

(One more time)

Chorus:

I fell into a burning ring of fire
Went down down down and the flames went higher

It burns burns burns that ring of fire that ring of fire
That ring of fire
That ring of fire
