I looked around at everyone
Searched the crowd for some frisky fun
She turned to me and said what you looking at
I couldn't help but notice her glow
She turned to me and spoke but carefully

I think that you're crazy
Someday be my lady
Hold me till the end of time

And now the fun had begun
The others had settled into bed
I chit the chat and shot the shit with her
Made no mistake cause she's a star
She turned to me and spoke but carefully

I think that you're crazy
Someday be my lady
Hold me till the end of time
I think that you're crazy
Someday be my lady
Hold me till the end of time

How can I feel
They way I do
When I see you
How am I
Supposed to be
Fuck this whole goddamn country

I think that you're crazy
Someday be my lady
Hold me till the end of time
I think that you're crazy
Someday be my lady
Hold me till the end of time

I think that you're crazy
Someday be my lady
Hold me till the end of time
I think that you're crazy
Someday be my lady

Hold me till the end of time
