I was feelin' kinda beat, I decided  
To hit the streets. I was lookin'  
For a place for this heart of  
Mine. Well I said to myself, oh  
God this must be hell  
I think I was slowly losin' my mind  
Chorus:  
Well round and round she goes  
Where she'll stop nobody knows.  
Y'know that woman put a spell  
On me, but if you start me, start  
Me, start me you can't stop me,  
Stop me, stop me. When she begins  
To rock, honey, I begin to roll  
I was hangin' by the phone, tired  
Of sleepin' alone  
Baby tell me where did I go wrong? When  
Minutes seem like hours and  
Days seem like weeks, how could  
A year last so fucking long?  
Chorus:  
Well round and round she goes  
Where she'll stop nobody knows.  
Y'know that woman put a spell  
On me, but if you start me, start  
Me, start me you can't stop me,  
Stop me, stop me. When she begins  
To rock, honey, I begin to roll  
I was hangin' with a couple  
Of chicks, man I was just looking  
For a place for this raggedy ol'  
Heart of mine.  
Chorus:  
Well round and round she goes  
Where she'll stop nobody knows.  
Y'know that woman put a spell  
On me, but if you start me, start  
Me, start me you can't stop me,  
Stop me, stop me. When she begins  
To rock, honey, I begin to roll.
