"Whisper To A Scream"

Love come,
Down upon us till you flow like water,
Burning with the hope of insight,
Feathered,
Look they're covered with a bright elation,
Stolen in the sight of love,

CHORUS

We are, we are, we are just children,
Finding our way around indecision,
We are, we are, we are rather helpless,
Take us forever a whisper to a scream.

Birds fly,
In the eye of the faithless daughter,
Broken at the bitter end,
Wasted,
Sacrifice for a new nirvana,
Right time send us on our way,

CHORUS
