(Jimmy Webb)

Lir: I've had time to write a book
About the way you act and look
But I haven't got a paragraph
Words are always getting in my way
Anyway, I love you
That's all I have to tell you
That's all I've got to say

And now, I'd like to make a speech
About the love that touches each
But stumbling, I would make you laugh
I feel as though my tongue were made of clay
Anyway, I love you
That's all I have to tell you

I'm not a man of poetry
Music isn't one with me
It runs from me
It runs from me
(Duet)

Lir: And I tried to write a symphony
Amalthea: Once when I was searching

Lir: But I lost the melody

Amalthea: Somewhere out of reach

Lir: Alas I only finished half

Amalthea: Far away

Lir: And finish I suppose I never may

Amalthea: In a place I could not find

Lir: Anyway, I love you

Amalthea: Or heart obey

Lir: That's all I have to tell you

Amalthea: Now that I'm a woman

Lir: That's all I've got to say

Amalthea: Now I know the way

Lir: That's all I've got to say

Amalthea: Now I know the way

Together: That's all I've got to say
