I remember when you asked her for a date
oh oh you came much too late
She has been gettin' ready for hours
and you even didn't bring something like flowers
(Dear Valentine)
She said it was the best day
And you were perfect in every way

(pre-Chorus)
What can I do
To show you
That he's not good so

Chorus
Dear Valentine
I know she is blind
But that's no reason
To treat her badly

Dear Valentine
It's a crime
What you've done to her
Is not very polite

Dear Valentine
You can try to hide
I'll find you show you what it means
To be broken hearted

It's a sunday morning in spring
Everyone's happy but she is crying
Yesterday he called
And let her fall
(Oh no Valentine)
I sigh cause he told me
And now I see
He was seriously

Chorus
Dear Valentine
I hope you never find

Your true love cause
You don't deserve it

Dear Valentine
Are you fine?
Okay but she is depressed

Dear Valentine
It's not right
to leave a girl
this way

Dear Valentine

Dear Valentine I confess I fell for you but
You warned me just before I made the same mistakes
like her
Just before I told you the truth
Now it's all over
Now it's all over
Now it's all over

You went out with my best friend
And sent her to the desert

Chorus
Dear Valentine
Memories come back to life
You are over it
I think she's not

Dear Valentine
We're drawing the line
Don't come back and
Destroy that

Dear Valentine
It's an endless fight
I beg you please
Apologize

Dear Valentine
It was dark and quiet
And she says her
Goodbye
