### "Like A Limpet"

Visit "[Like A Limpet](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Let's start with the truth  
I can't stand you  
Think that you are the best  
because you win unicycle contest  
You're wearing the same clothes always  
Never mind annoying us every day  
I know I might hurt you but you've got to know why

pre-Chorus  
You're asking yourself why everyone avoids you  
But you don't think about everything you do is

Chorus:  
Behaving like a limpet  
When all your wannabe friends walked away you  
decide  
to stalk us  
Don't get your panties in a bunch  
Don't get emotional  
Just leave us alone don't think were one and the same  
(Let us be let us be) I hope you get it (don't ya know)  
You're behaving like a limpet  
(Like a like a limpet)

You come around stay we want you away you've got  
friends  
why don't you are with them??  
I know it's hard but everyone here i know is thinking like  
me  
You yelled at us, told bad things about us, you laughed  
at us  
And you honestly think we want to got you around

pre-Chorus  
Is it a joke (not funny) a plan (what the hell)  
You're asking yourself why everyone avoids you  
But you don't think about everything you do (is)

Chorus:  
Behaving like a limpet  
When all your wannabe friends walked away you

decide  
to stalk us  
Don't get your panties in a bunch  
Don't get emotional  
Just leave us alone don't think were one and the same  
(Let us be let us be) I hope you get it (don't ya know)  
You're behaving like a limpet  
(Like a like a limpet)

uncool, unwashed, immature  
You'll be offended  
but know it's true it's true it's true

Limpet why do you behave like a limpet limpet  
You were bad you are bad  
we didn't like you we don't like you

Chorus:  
Behaving like a limpet  
When all your wannabe friends walked away you  
decide  
to stalk us  
Don't get your panties in a bunch  
Don't get emotional  
Just leave us alone don't think were one and the same  
(Let us be let us be) I hope you get it (don't ya know)  
You're behaving like a limpet  
(Like a like a limpet)
