She's coming down the hallway in her new prada shorts  
Feeling so absolutely cool about what she's heading  
towards

All the boys starring at her like starving dogs looking at  
a plate of food  
And the girls behind them feeling like fools

Tellin' the guys where she's travelling next  
It always has to be: good, better BEST  
I ask myself:  
"Why is everyone so interested"

Pre-Chorus:  
I don't want to say 'No offense girl'  
but that would be a lie  
I don't care about your world  
But why I want to cry?

Chorus:  
She's exactly the kind of girl every guys is looking for  
Because she has this long hair and that 'come over  
here'-smile  
But she's not especially!  
Okay, she speaks French and Spanish fluently  
She does ballett and loves to make  
fun about the others  
She's so average she's so average she's so average  
and even Long hair couldn't change that mh mh

I can only imagine what she thinks when she stands in  
front of her mirrow  
Honestly I don't really want to know  
Snotty, aggressive, with a dumb laugh  
Said one month ago "I hate boys" and now you paint  
them a blue sky above  
It may be new for you, but you're not BeyoncÃ©

Repeat Pre-Chorus and Chorus

Tell you the truth  
don't want to see you

you should write a book on how to ruin someone's life  
remember HE IS MINE Ohoh

Repeat Chorus twice
