I saw her today
Oh God I miss her smile
A pleasant memory
Of the things in life worthwhile, things worthwhile

We used to walk and we used to talk
We used to laugh and we used to cry
And there will always be a place in my heart for her

I thought of her today
Of the years together spent
A pleasant memory
Of the places we went, the places we went

We used to walk and we use to talk
We used to laugh and we used to cry
And there will always be a place in my heart for her

I saw her today
Oh God I miss her smile
A pleasant memory
Of the things in life worthwhile, things worthwhile

We used to walk and we used to talk
We used to laugh and we used to cry
And there will always be a place in my heart for you
