we met in the springtime  
when the blossoms unfold  
the pastures were green  
and the meadows were gold  
our love was in flower  
as summer grew on  
her love like the leaves  
now have withered and gone  
the roses have faded  
there's frost at my door  
the birds of the morning  
don't sing anymore  
the grass in the valley  
is starting to die  
and out in the darkness  
the whippoorwills cry

alone and forsaken  
by fate and by man  
o lord if you hear me  
please hold my hand  
o please understand

where has she gone to  
where can she be  
she may have forsaken

some other like me  
she promised to honor  
to love and obey  
each vow was a plaything  
that she threw away

alone and forsaken  
by fate and by man  
o lord if you hear me  
please hold my hand  
o please understand

the darkness has fallen  
the sky has turned gray  
the hound in the distance

is starting to bay  
i wonder \* i wonder  
what she's thinking of  
forsaken \* forgotten  
without any love

alone and forsaken  
by fate and by man  
o lord if you hear me  
please hold my hand  
o please understand
