Yeah, loving
Over and over again now
It ain't nothing girl
Till you've felt the pain
Up against the wall
Why does love always have to hurt?
Your scratches run across my back
And then a tear
Dear lover
I can't take the pain no more
Dear lover
I pick my heart up from the floor
Dear lover
I can't believe it's come to this
Dear lover
Give me one last
Painful kiss

There ain't nothin'
In this world for free now
So how high of a price
Will you pay
Hear the screams so loud

Wake up to the broken glass
It's a scene from bad to worse
And many more tears

Dear lover
I can't take the pain no more
Dear lover
I pick my heart up from the floor
Dear lover
I can't believe it's come to this
Dear lover
Give me one last
Painful kiss

Dear lover
I can't take the pain no more
Dear lover
I pick my heart up from the floor

Dear lover
I can't believe it's come to this
Dear lover
Give me one last
Painful kiss
One last kiss [x3]
