Breakin' rocks in the hot sun  
I fought the law and the the law won (x2)  
I needed money 'cause I had none  
I fought the law and the the law won (x2)

I miss my baby and i feel so sad  
I Guess my race is run  
She's the best girl that I ever had  
I fought the law and the the law won (x2)

Robbin' people with a six-gun  
I fought the law and the the law won (x2)  
I miss my girl and i miss my fun  
I fought the law and the the law won (x2)

I miss my baby and i feel so sad  
I Guess my race is run  
She's the best girl that I ever had  
I fought the law and the the law won (x2)

I fought the law and the law won (x3)  
I fought the law and the the law won (x4)  
I fought the law
