I got friends who are in prison  
Friends who are dead  
I'm gonna tell you something  
That I've often said

You know these things that happen  
That's just the way it's supposed to be  
And I can't help but wonder  
Don't you know it could have been me

I had me a good girl  
Her kisses sweeter than wine  
And I had always hoped  
That someday I'd make her mine

But she ran off and married  
That's just the way it's supposed to be  
And I can't help but wonder  
Don't you know it could have been me

Well the junkie-cops on first street  
Sticks a needle in his arm  
No, he never meant to do  
Anyone no harm

But he's buried six feet deep  
That's just the way it's supposed to be  
And I can't help but wonder  
Don't you know it could have been me, yeah

I had me a good girl  
Her kisses sweeter than wine  
I had always hoped  
That someday I'd make her mine

But she ran off and married  
That's just the way it's supposed to be  
And I can't help but wonder  
Don't you know it could have been me

Could have been me  
Could have been me

Could have been me
